

'KINDERGARTEN SUCCESS'

at

WESTMINSTER NURSERY SCHOOL

Westminster is committed to offering your child opportunities and skills to enhance their educational journey.

The success of your child; emotionally, socially, and educationally is our primary focus.

With these thoughts in mind, Westminster is pleased to announce the following **Kindergarten choices for the 2010-2011 school year.**

KINDERGARTEN Program

Full Day 9:00 - 3:00 Half Day 9:00 - 11:45

For the Kindergarten program, a child who turns **5 by October 1** will be accepted.

You may choose a full day or half day program. Kindergarten will begin at 9:00 AM. The morning session will consist of core academics based on the Toms River Regional Schools curriculum. The half day session will end at 11:45 AM. Children staying for the full day session will bring a bag lunch and stay until 3:00 PM.

KinderExplorer Enrichment Program

(an enrichment program for morning Kindergarten students)

Three Half Days or Five Half Days 12:30 - 3:00

Each afternoon we will be embarking on adventures filled with wonder and enrichment. Our KinderExplorers will be observing, asking questions and making new discoveries about their world. We know children learn best by doing. They have lots of questions. Helping them look more closely at their world and find answers to their questions are two important skills for learning. These hands on experiences will be a great way to tap into your child's curiosity and opportunities for learning.
