Dear Parents,

We are so very pleased to welcome you to Westminster's **full-day class** for **four- year-olds**. In order to be fully prepared for the program, we will need your child to bring the following to school:

1) A complete, nutritious **lunch, daily**. Be sure that their lunch and beverage is in a lunch box with their name clearly visible. For safety reasons, we ask that you do not utilize glass containers. Please be sure to include a freezer pack if food items need to be kept cold. Lunch boxes should be 9"x 6" in dimension so that it can be stored in an individual cubby (no taller then 9" and no wider then 6").

2) We ask that parents provide their child only **one snack item per day**. This afternoon snack should be included in your child's lunchbox. We are requesting a 'dry snack' that can be easily opened and eaten independently. Some suggestions for this afternoon snack are: goldfish, graham crackers, pretzels, some cut up fresh fruit or vegetables.. This afternoon snack should be clearly labeled "SNACK".

We look forward to seeing you soon!
